Today we are looking at Instructables Envelope free Snail Mail Origami. In preparing for an upcoming daily blog post and with thanks to Debbie, one of *My Three Muses* here at AnchoredScraps.com, I came across today's related topic!

Over at the Instructables site, Envelope free Snail Mail Origami takes you through each step.

This particular Instructable as of writing this has 169,867 views.

*“Step 1: You'll Need...;
Step 2: Initial Folds;
Step 3: Secondary Fold;
Step 4: Tertiary Fold;
Step 5: Repeat, Repeat;
Step 6: Your Done!”*

This link will take you to the [six steps](#) shown along with images. It talks about in the instructions if your paper is very thin you can go ahead and use an extra sheet of paper making the paper thicker reinforcing it.

Join me tomorrow as we look at some vintage retro postage vending machines seen on Topsail Island on Monday. Happy Wednesday!

Anchors Aweigh,

Helen
