This morning my letter writing post is on the Mailing Paper Airplane Letters to Dad Commercial.

You'll know it immediately of showing the little boy sending paper airplanes over the fence.

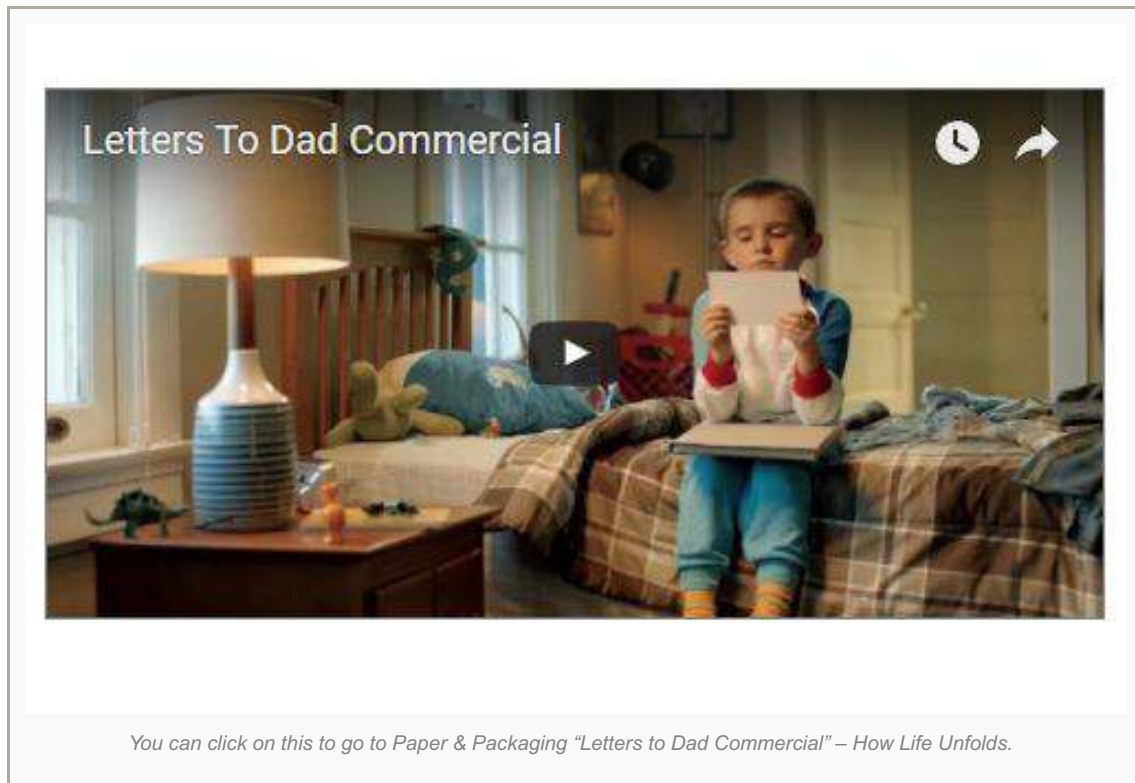

Today is part two of my Sending Paper Airplane Letters theme. Yesterday's blog post was Sending Paper Airplane Letters Activity Tin.

The "[Letters to Dad](#)" commercial is by the Paper & Packaging How Life Unfolds. At their site [Paper & Packaging](#), its posting was on June 18, 2015.

*"What do you do when you miss a dad who's far away?
See how paper and packaging help a little boy and his father stay close.*

What does it take to stay close to a dad who's oceans away?

A box of crayons ... a fleet of paper airplanes ... And a delivery from overseas. A next door neighbor with a box."

Here's to a wonderful day ahead. Go ahead! Be on the lookout for opportunities to be the person to help lob the paper airplane letters back over the fence!
