Today we are looking at this beautiful Summer Postcard Frameable Art over at the [whatislovely](#) Etsy shop.

As we begin to wrap up the month of July our letter writing can still enjoy sending this beautiful summer themed postcard!

The [whatislovely](#) Etsy shop is owned by Jaclyn Roberts. You'll want to check out her shop.

"This hand painted postcard is ready for a few kind words and a stamp! It is hand lettered in acrylic paint on natural brown chipboard."

Art card can also be framed

or "pinned" near your desk to inspire you as you work."

Using the [2017 Seashells Postcard stamps](#) are a great match to use with this postcard.

How quickly the Summer is speeding by this month!

Here's to making time for a trip to the beach this weekend weather and time permitting – and bring along some postcards for imprinting a few minutes for our memories onto them!

Anchors Aweigh,

Helen
