Our letter writing will enjoy including one of the 32 original coloring designs from the Inkspirations Color Me Postcards card book from 2016 by Judy Clement Wall.

As we are nearing the end of August, I'm finding myself wanting to stock up on some coloring postcards that I can send by themselves or include in a letter. I'm still enjoying some of the post cards I ordered that I covered in my [Coloring book postcards](#) back in November 2015.

Whether you send one for the recipient to color or you have already personalized it yourself there are a variety of occasions for sending. This is a link to the book on

her [site](#).

*"From birthdays to congratulations, from thinking of you to thank you, it's coloring fun turned functional."*

*"With whimsical art from Judy Clement Wall as your canvas, you can create the perfect sentiment for every occasion...Birthdays, Thank you, Thinking of You, Just Because, Congratulations, Encouragement and more."*

Thank you for joining me today. I'm off to order these so that I can enjoy them in the coming months. Have fun considering adding to your collection too! *Who knows, if we are pen pals you may find one in the mail to you too!*

*Anchors Aweigh,*

Helen

P.S. For the frugal and/or if you just can't wait for your card book to arrive, she generously is sharing free [coloring pages](#) at her website ready to discover and download. *Thank you!*
