We are adding a little zip to our letter writing with the five Date Meets Zip Pictorial Postmarks available this month!

This is not the first time I've blogged about Date Meets Zip Pictorial Postmarks here at AnchoredScraps. Last October "[Fillmore Zippy day 93016 Pictorial Postmark](#)" the date – September 30, 2016 — '09-30-16' the date found itself matching the zip code for Fillmore of 93016.

## Date Meets Zip Pictorial Postmarks

In the [September 14 USPS Postal Bulletin](#) that came out today it is showing these available for **90717**, **91917**, **92117**, **92317**, and **92517**. At that link, it also includes the details of the requesting process.

The image I'm showing in the upper left is for 92117 – San Diego, CA 92199-9996.
