It is the middle of September and it was bound to happen – talk of pumpkins and these Cavallini Halloween Glitter Vintage Postcards!

If you find yourself with a few minutes check these [postcards](#) for ordering and having them on hand BEFORE Halloween gets here.

- *“Ideal for correspondence or decorative purposes*
- *Postcard size: 3.75x 5.5*
- *Printed on cavallini ‘c classic Cream paper stock”*

In addition to the 12 postcards, they arrive in their own tin. These are “... perfect for sending, decorating, or crafting.” The tins are wonderful to keep even after using up all the postcards!

Next, and not to intentionally put this last, don't forget to consider ordering some of the [Jack-o'-lanterns stamps](#) from 2016 to put onto them!
