With having a wonderful Sunday afternoon of letter writing, I'm happy to discover The Original Greetings From State Rubber Stamp.

Etsy paperpastries – The Original Greetings From State Stamp – choose your state

It is always fun to enhance our letter writing and here is an opportunity to personalize from [your State](#).

Earlier today I was using this rubber stamp – [Letter Writing Dog](#) [Mountainside Crafts Rubber Stamp](#), I blogged about back in June.

Being able to add a bit of whimsy to our letter writing is easy with including an imprint of your state on the envelope and/or inside on the letter too.

I'm off to order one of these State Stamps for North Carolina. Tomorrow kicks off a very busy work week! *Join me tomorrow for my Monday blog post.*

Anchors Aweigh,

Helen
