Our puppy Cooper and his antics in the pool today is the inspiration for this blog post on 100 Art Dogs Postcards!

First, here is an update I'm sharing on Cooper.

To begin with, at age 17 months our family Brittany Spaniel is still loving full throttle puppy joyful antics. Secondly, we are expecting this puppy behavior until at least age two, or three, or four!

Furthermore, as a postcard enthusiast, it is fun to see this set of 100 Art Dogs Postcards offering from 2014.

In conclusion, I'm off to go hear about his afternoon playtime while playing a game of chase the ball with him! *This will surely get talked about in my next letter writing chronicles to a few pen pals!*
