Reading this Mark Twain Quote Notebook Long Letter Journal cover has me smiling and wanting one!

***“I DIDN'T HAVE TIME TO WRITE A SHORT LETTER, SO I WROTE A LONG ONE INSTEAD.” – Mark Twain***

One of my earliest AnchoredScraps letter writing blog posts was on [“MARK TWAIN'S LETTERS 1853-1910, COMPLETE”](#), back on May 27, 2015, including an image from a tweet with William Shatner as #MarkTwain on CBCMurdoch for Season 9.

The Etsy WhirlingWorld Shop is creatively combining Notebooks and Letter writing options with their Literary Gift for Letter Writers.

Whether sending to a favorite Penpal or to use the notebook for yourself it is a creative option to consider. It is a Recycled A6 Kraft Notebook.

*“Is it a notebook? Is it a greeting card? It can be either or both! Meet the superhero of literary notebooks, perfect for gift-giving! Alternatively, you can write the recipient an extra-long letter on the inner pages so that they know how special they are to you!”*

*\* Printed with a cover quote attributed to Mark Twain, Blaise Pascal and others. Whoever said it, it's the perfect sentiment to share with fellow letter writers!*

*– Or choose from alternative quotes ...*

*\* Notebook dimensions = 10.2cm x 14.8cm = 4 x 5.8 inches (3mm narrower than standard A6 size)*

*\* 48 pages 80gsm recycled paper*

Tomorrow brings the Autumnal Equinox 2017 – the First day of fall. The week has flown by and gets even busier beginning tomorrow, stay tuned for my Friday blog post in the morning!

P.S. Just be prepared with having this delivered from *“Across the pond”* as the expression goes when ordering for the shipping to be a little more. It is located in Derby, United Kingdom. I'm looking forward to its arrival!
