We are kicking off the last Monday in September with looking ahead to the Fourth Annual Colorado Pen Show Class Offerings October 6, 7 & 8. It was just back in August that we were looking at the DC Fountain Pen Supershow 2017 for Fountain Pen enthusiasts!

If your calendar supports being in the area that weekend you'll want to consider stopping by, better yet register for one or several of their class offerings! You will also want to be sure to check out their confirmed list of Exhibitors and Sponsors for the show just 10 days away!
