For our letter writing interests today, we are looking at Collecting Vintage Typewriter Ribbon Tins.

Little did I know when I purchased my first two that I would begin an interest in collecting them!

The Well-Appointed Desk

Currently, I've got two Vintage Typewriter Ribbon

Tins from [The Well-Appointed Desk](#). In looking back at my blog post back on July 18, 2016, her Par Avion stamp was featured.

Shelbyville Etsy

How nice to find a large selection available currently at the ETSY [Shelbyville](#) Shop. Just to make a note it lists shipping is from Australia.

One of the several groupings at the Shelbyville Etsy Shop.

I'm hoping that perhaps when you are out and about at a Vintage store or a garage sale that you might now recognize one of these and begin collecting too. Enjoy!

Anchors Aweigh,

Helen
