The timing is great for today sharing about the Portree, Scotland Tiny Post Office Employee Jax, and his adorable Job Title.

I'm sure by now you are seeing the photo I'm including greeting you.

You can click on this image to read the entire article.

**"Jax is the "Official Stamp Licker."**

The story came out earlier this week on Wednesday, "[Tiny Post Office Hires Cutest Employee Ever — His Job Title Will Have You Cracking Up](#)".

*"...Tucked away in the little seaside village of Portree, Scotland, is the town post office. Isn't nothing special, really. The outside is nondescript, and the inside is quaint, packed with postcards, gift-wrapping paper, and other mailing essentials.*

*They've got friendly staff, as is expected from a small-town establishment.*

*There is one smiling face, though, that is a bit out of place.*

*Meet Jax! His dad is Postmaster Ray Chandler and when he took over management of the post office, he decided to employ some straight-up nepotism. Ray hired his fur-baby (and we're all glad he did)..."*

Furthermore, my Thanks to Sue Brennan on Twitter for sharing the tweet this week.

In conclusion, the question begs itself, is Cooper going to be wanting an official title here at AnchoredScraps?! *All those in favor of payments being in the form of dog biscuits bark once!*

Anchors Aweigh,

Helen
